- Great Job! Loved the Tour! Less history of Blowing Rock, Thank You! Very lovely, maybe shorter walk, all, it was great, Wifi listening devices with headphone and mics, lovely town, would enjoy email updates of your events, tea was lovely, nice variety of food, Pat was my

guide; she's very knowledgeable. Have 6-8 people on golf carts, lovely town! Many thanks! Loved curry paste open sandwiches, not sure, my first time visit, can't think of anything, maybe a little shorter (9-12), Thank you very much! It was Great! Cold water and shuttle were welcome
